**PARISH HALL**

**Annual General Meeting**

The AGM was held on 28<sup>th</sup> June 2018. The attendance was disappointing hopefully due to a clash with an England World Cup Football match rather than lack of interest in hall matters! Thank you to those who did attend.

The following trustees and officers were elected:

Colin Vallance: Trustee and Chair, Letitia Yetman: Trustee, Vice-Chair and Bookings, Ivan Buxton: Trustee and Secretary, Judith Addicott, Trustee, Helen Bone: Trustee, Andrew Patterson: Trustee, Andrew Stacey, Trustee. David Vaughan was appointed independent Treasurer.

The meeting heard that the hall continued to be supported by a variety of user groups and individuals throughout the year and recorded a small operating profit of £594.90 for the period ending on the 31<sup>st</sup> March 2018. Various grants and donations towards the extension had been secured in the preceding 12 months.

The accounts were presented, approved and having been independently examined signed off ready to be submitted to the Charity Commission with the Annual Report.

Fund raising towards the proposed new extension continues and the amount raised and pledged to date (July 2018) is £45,508.95 which equates to approximately 60% of the target.

The Foundation CIO that will replace the existing hall charity is now in place. The CIO constitution permits appointment of 12 twelve trustees and there are currently 6 vacancies. The committee therefore invite anyone interested in becoming a trustee to come forward and help the existing members. Trustees normally meet 4 times a year to discuss matters relating to the administration of the hall and to make larger financial decisions as required. Day to day matters are normally handled by a General Purposes Committee that meets about once a month and is appointed by the trustees.

The next trustees meeting will be on Wednesday 16<sup>th</sup> October at 8pm in the hall. Please come along if you want to become a trustee.

**The Adventures of Mr Toad -15<sup>th</sup> September 2018**

The hall is pleased to announce that LADS will be staging their travelling production of the above hugely successful musical, for children of all ages (that means everyone in Ashwater!) at the Parish Hall on Saturday 15<sup>th</sup> September 2018 at 7.30pm.

Tickets will soon be on sale and the proceeds go towards the ‘Help Jaydon Walk’ campaign (see [www.helpjaydonwalk.co.uk](http://www.helpjaydonwalk.co.uk)) as well as the hall extension project. Watch out for notices and other publicity around the village soon.

**PARISH COUNCIL**

The Parish Council would like to welcome Veronica Patterson who was co-opted as its newest member.

Some residents in the village are experiencing dogs persistently barking during the day and throughout the night. This has been causing distress to residents who have been unable to sleep because of the disturbance. If you are affected by this you can contact Torridge District Council which has an enforcement officer who will attend the household to resolve the situation. <https://www.torridge.gov.uk/article/559/Noise-and-other-nuisances>

There is a proposal for Devon and Cornwall Police to merge with Dorset Police.

A new website has been created which provides details of the proposal, frequently asked questions (FAQs) and importantly, a survey in which you can give your views.

<http://www.futurepolicing.co.uk> **The survey is open until 27<sup>th</sup> August 2018.**

### **HOLSWORTHY WALK AND TALK**

We have been glad to put away our rain gear now that the sun has come out and we have been seen on our walks sporting a fine array of sunhats together with sunscreen and bottles of water.

On the 20<sup>th</sup> July we met at Dunsden National Nature Reserve near Pancrasweek which has been cared for by Devon Wildlife Trust for the last 30 years. In 2012 the Reserve was named Devon's Coronation Meadow in recognition of its special environmental value particularly for its Culm grassland which is only to be found in North Devon. The characteristics of the Culm meadows comprise wet, marshy ground growing uneven, rushy vegetation. They are particularly important for their rich biodiversity and host an array of flora and fauna including Early Purple Orchids, the Privet Hawk Moth and Grey Herons. Environmentally they are also important for their potential to hold water which is filtered through the soils reducing nutrient pollution and storing carbon.

Having passed through the Culm Grassland we came upon the Bude Canal which is beautifully maintained as a footpath by Bude Canal Trust. The Bude Canal has had a chequered history since 1774 when John Edyvean, a Cornishman, originally conceived the idea and was granted a Royal Assent to commence work. Sadly, the Napoleonic Wars interrupted initial plans and the Act lapsed in 1784. In 1817 local support for a canal was rallied and two well-known engineers, James Green and Thomas Shearm, were approached to develop new plans. Due to the rising land and poor water supply it was considered cheaper to construct incline planes as opposed to locks along the route and this work was completed in 1825. The canal as built was 35 ½ miles in total and comprised of the main line from Bude to Blagdon Moor Wharf, near Holsworthy, with a branch from Red Post to Druyton Wharf, nr. Launceston and a feeder arm from the newly constructed Tamar Lake (now Lower Tamar Lake) to feed the canal with water. The canal was unique, in that it was constructed for agricultural purposes, the transporting of lime rich sand for the improving of soil. The arrival of the railway into Bude in 1898 ended the Canal's viability and it was sold to Bude Stratton Urban District Council in 1902. Bude Tourist Information Centre has a very interesting exhibition showing the history of the Canal which is well worth a visit. We are very fortunate to have such a diversity of history and beauty to enjoy alongside the important benefits of walking which include helping conditions such as Type 2 diabetes, heart disease and cancer.

Our Monday Level 1 walks in Stanhope Park, Holsworthy start at 10.30 am. We now meet outside the Holsworthy Area Sports Pavilion where tea and coffee are served afterwards. The Friday walks move off at 10.30 am from various locations around the area. Details can be found on our walk programme. All walks are free. For further information regarding the Monday walks please contact Gillian Aston on 01409 254642. For information regarding the Friday walks please contact David Arney on 01837 861829.

#### **Walk for Parkinson's UK**

A huge thank you to everyone who so kindly sponsored us on our walk to raise money for Parkinson's UK. Family, friends and neighbours have been so generous in their donations that, walk now completed, we hope the final total that we have raised will be in excess of £1500 once Gift Aid has been calculated. This far exceeds the sum we envisaged at the start and the contributions from so many people in Ashwater went a long way to achieving such an excellent result. So once more, thank you very much for all your support. I am sure Parkinson's UK will put the money to very good use.  
Best wishes, Sue & Brian George

### Village Inn Questionnaire

As you are probably aware, The Village Inn has been on the market for some time and has recently been recorded as an Asset of Community value.

A small group of villagers has been tasked with finding out the parish's view of the Village Inn and if there is any interest in the village trying to source funds to purchase, making it a co-operative pub.

Ashwater already has a thriving shop and village hall and The Village Inn should complement the services offered, to this aim we require input from the Parish on what people want and hence the following questionnaire is to try and understand this.
